K-12: The [Duplin County School System](#) includes fifteen area schools from grades K-12 with nearly 8,500 students, and is recognized for its outstanding teachers and strong curricula and academic excellence. Two award-winning programs — Tech Prep and JobReady — help prepare high school students for immediate employment in businesses and technical fields. An innovative program in the town of Warsaw has created a “school of engineering” for students at James Kenan High School.
